„This time you won't stop me.", Mick said while he was putting the gun in his hand on his right temple.

„Please don't do this.", the younger one bagged.

Yes. Nikki brought him back to life more than once. But this time it woudn't work. Mick had already quiet with his life. His fingers were ready to pull the trigger, if Nikkis lips woudn't have spoke those following words.

„You didn't really mean that.", Mick realized.

„No.", Nikki said grining. „But it worked anyway, didn't it?"
